Mr. Leo Lewis, President
Gary Chamber of Commerce
578 Broadway
Gary, Indiana

Dear Mr. Lewis:

Thank you very much for your letter of 22 December inviting me to speak before a conference to be held in Gary, Indiana sometime in February or March 1961.

I sincerely regret that I will be unable to accept your kind invitation even though you were good enough to leave the choice of a date to me. In view of my official position, it is necessary for me to restrict my speaking engagements to the various government service schools except on a rare occasion when I make an outside talk. Unfortunately, I cannot make an additional commitment at this time.

Your courtesy in asking me to join you on this occasion is indeed appreciated and I would like to take this opportunity to wish you every success in your conference.

With kindest regards,

Sincerely,

Allen W. Dulles
Director

THE GARY CHAMBER OF COMMERCE

"A Community Building Organization"

Serving—The Nation's Largest 20th Century City

"Looking Ahead"

LEO LOUIS

It is a distinct honor to have been elected president of the Gary Chamber of Commerce. I will make every attempt to carry on the wonderful work started by my predecessors. With your help and cooperation this will be possible.

How can you help? First of all invest your "fair share" to finance the very ambitious program of work that you—the members—have demanded. Secondly, volunteer to serve on a committee. Thirdly, be active on the committee of your choice. Be a builder.

Your Chamber program for the coming year includes over 200 projects. Twenty-eight standing committees will turn the projects into achievements during the year.

The success of any organization is measured only by the efforts and cooperation of the individual members. We must all continue to work together to carry out this very dynamic program for a greater Gary.

Your Chamber is dedicated to the progress, growth, stability, and improvement of Gary. We must not now yield to complacency but must secure additional financial support and all work united in this "Blueprint for Action" to build a greater Gary.

Thank you for the confidence you have placed in me. I am looking forward to working with you throughout the year.
